On-demand acute care with MDLIVE®

When your doctor isn't available, we have partnered with MDLIVE.

Get 24/7 non-emergency medical care by phone or video chat. Access U.S. board-certified doctors at home or on the go. It is cost-effective. Save a trip to the emergency room or urgent care.

On-demand behavioral health care with MDLIVE

Everyone needs a little support. Through our partnership with MDLIVE, you have 24/7 access to non-urgent behavioral health care by phone or video.

Highly trained psychiatrists, psychologists, and social workers can help with a wide range of conditions like addiction, depression, life changes, stress, or trauma.

Get the care you need when you need it. Make appointments when they are best for you – any time of day. It is easy to schedule a consultation by phone, tablet, or computer.

New in 2026! Teledermatology* through MDLIVE

From suspicious spots and rashes to cold sores and fungal infections, MDLIVE board-certified dermatologists deliver reliable care for new or ongoing skin, hair, and nail conditions.

No appointment required and no long waits – get a diagnosis quickly, usually within 24 hours or less.

*Available when your health plan contract renews in 2026.

Copay or deductible may apply.

Surgery decision help with Welvie®

The decision whether or not to have surgery is a big one.

Excellus BCBS offers Welvie My SurgerySM to help you work with your doctor to decide on, prepare for, and recover from surgery.

Surgery is effective for many conditions, but it may not be the right choice for every person in every situation. There are many options to consider, from treatments to doctors to hospitals.

Welvie My Surgery guides you through the entire surgery decision-making process.

Go to **Welvie.com** and select the **Register** button.

24/7 Nurse call line

Decision-making support and education when you need it most.

Contact a nurse by phone anytime – 24 hours a day, seven days a week.

Get answers to general health, chronic or complex health condition questions.

They can help you with questions about diagnoses, medications, treatment options, and nutrition. They can also help you find providers.
